R.C. 9210/43.M1 Dated 28-11-1942

Sir,

Sub: Establishment - Co-operative societies - Junior Inspector - fishermen societies in the districts of South Kanara and Malabar.

Ref: G.O.No.Ms.2158-Development Department dated 8-10-42. pp 7-8 (L)

The post of an additional Junior Inspector for the supervision of fishermen's cooperative societies was filled up on 11-12-42 and the sanction accorded in the G.O. cited above will therefore expire by 11-12-43. The Assistant Director of fisheries (coast), Calicut under whom the inspector is working has stated that he has done tangible work at the Ajamur fishermen cooperative societies in the matter of the joint purchase of the domestic articles of the members, in the direction of pooling and joint sale of the fisher-products of the members, in the collection of the dues of members in kind, i.e. in fish, and in providing facilities to the members to sell their products in the local and outside markets. He has further reported that similar activities are being pursued in other societies also. As the fisherfolk for whose benefit these activities are promoted and pursued are mostly illiterate, they cannot be expected to carry on these, without the assistance of the Special Junior Inspector. The Deputy Registrar, Mangalore is of the same opinion and supports the recommendation of the Assistant Director of Fisheries, Calicut that the post may be retained for a further period of one year from -12-43. There are 19 societies for fishermen in the South Kanara

District; the supervision of these societies fully will fully engage the inspector's services.

2. Prior to 1-4-43 there were 3 Junior Inspectors for the supervision of fishermen's societies in the West coast, two in Malabar and one in South Kanara. On and from the date one of the three posts was abolished and the Assistant Director of fisheries, was administering the affairs of all the fishermen's societies in both the districts with the assistance of only 2 Junior Inspectors. In my letter Rc. 5701/41.M, dated 27-7-42 resulting in the issue of the orders cited above, I explained these facts in detail. With the revival of the post, the renewed sanction of which is now applied for, the original strength of 3 Junior Inspectors has been restored. Sanction for the further retention of the other two posts has been obtained year after year along with the usual sanctions of temporary establishments for each financial year. The latest order of Government sanctioning the retention of the two posts in the Malabar district upto 31-3-44 was G.O.No.Ms.3434-Development Department d/17-3-43. In these circumstances I shall be considering the whole question of the retention of all three posts during 1944-45 in the usual course. Hence I request that Government may be pleased to sanction the further retention of the Junior Inspector sanctioned in their order cited above till 31-3-44 only.
